

Frequently Asked Questions

1. Are the classes online only?

YES ChessMasterClass International Online Academy is specifically well equipped with latest technology to cater to the needs of online students.

2. Can students from all countries attend your training?

YES Students from any country can enroll as our students according to the availability of seats. Convenient timings will be allotted to them. The sessions will be in English but can be supplemented with Malayalam also if required for the players from Kerala and expatriates.

3. Will there be individual and group classes?

YES Students have the choice of joining for either Individual or Group classes. Customized classes are also offered.

4. Do you have classes for beginners?

YES We have classes for absolute beginners as well as for those who just know the moves but lack any kind of scientific orientation in chess.

5. Are classes offered for players of different playing strengths?

YES We offer different categories of training. Beginner Level 1 & 2 (Individual & Group) Intermediate Level 1 & 2 (Individual & Group) Advanced Level 1 & 2 (Individual & Group) Customized Training (Individual only) Students to respective categories will be selected through our standard tests.

6. Do we need Zoom or Skype or similar software?

NO Our Academy has a fully technically equipped virtual classroom. You do not need any software. All you need is a computer and internet connection.

7. Is there any facility to play and practise?

YES We offer our students the facility to play and practise in our Online Playing Arena 365 days / 24 hours free of cost.

8. Do we get opportunity to play in Tournaments?

: YES We have exclusive Online Tournament Arenas for our students to participate in Regular, Practice & Thematic Tournaments here. Tournaments and Practice Sessions will motivate students to scale greater heights.

9. Can we access/download chess material?

YES We have a Shareware Chess Library from which our students can access/download thousands of master games and learning material.

10. What is the Live Coverage facility you have?

This is one of our most exclusive and beneficial features. Trainers and parents can watch LIVE the games played by their students/kids in Tournaments/ Practice Sessions. This will help the trainers to monitor the progress of students and adopt remedial measures if needed. The parents can observe the progress of their kid and make objective assessment.

11. Do you provide customized chess training for particular needs?

YES Our Trainers have great expertise and experience. If someone needs to prepare for particular tournaments or improve certain aspects of their games, we provide them with individual customized training depending on his/her chess needs.

12. Do you have a chess syllabus?

YES All our courses are based on scientifically oriented syllabi.

13. Do you have a chess library?

YES We have an extensive collection of chess books, pgn files and chessbase files which our students can access.

14. How much time is needed to grow to a strong player?

It depends on your aptitude and the effort you take. Usually, a hard working student can achieve marked progress in 3 – 6 months.
